Dear Dr. Leo Beranek

The Brazilian Acoustical Society (SOBRAC), an organization that assembles professionals, students, institutions and companies working in Acoustics and related areas, congratulates you on your Birth Centenary.

To mark this important date, SOBRAC ([www.acustica.org.br](http://www.acustica.org.br)) is awarding you the title of "Honorary Associate of the Brazilian Acoustical Society". In view of Article 11 of the SOBRAC's Statute, "honorary associates are individuals who have rendered outstanding services to the development of Acoustics and related areas, according to the Society board members".

We kindly ask to be informed to which address we should send the Certificate and the Silver Plaque depicting this distinction.

We reiterate our compliments on your birthday.

Best regards,

Prof. Dr. Dinara Xavier da Paixão  
President of the Brazilian Acoustical Society (SOBRAC)
